KINDNESS VS APATHY

Using 1 John 3:16-19 as the basis of this sermon, Rufus defined kindness and shared how kindness is also rooted from God's Character - through the Bible, by sending Jesus Christ & through us. Apathy on the other hand, is a state of indifference and he warned us that spiritual apathy can lead to sin & lack of love. Rufus poured his heart out and urged us all to seize the day (Carpe Diem) be kind to one another especially when life here on earth is short. It isn't how much you give, but how you give it.

16th OCT

FAITH VS FEAR

Pastor David shared on how God has not given us the spirit of fear, and instead, fear results from the lack of faith in God. He used Gideon from the Bible as an example to show us that because of fear, we as humans are filled with doubts, complains and excuses when God tasks us to do His works. But at the same time, Ps David added that just like how God was able to change Gideon from a coward to a conquerer, God is also able to transform anyone to become a man of faith as long as you place your faith & trust the goodness of the Lord. We are all might warriors of God and we should never be afraid.

23rd OCT

HOSPITALITY VS EXCLUSION

We had Maverick to speak to us on what it meant to be hospitable (Leviticus 19:33-34) and how it will have an impact on people. Using his own experience as a testimony, he shared how the youths showed such great hospitality to him when he first came to Youthphoria. This act of hospitality allowed him to feel welcome, and subsequently enabled him to grow deeper in his faith in God, which shaped him into what he is today. He challenged us to step out of our comfort zones as an act of hospitality goes a long way.

WORKSHOP SUNDAY

For this workshop Sunday, Youthphoria went out to Botanical Gardens for a time of worship, games and fellowship! We welcomed the Pri 6s as well to join us for a time of fellowship. With plenty of food and entertaining games, it was heartening to see the older and younger youths mingling with one another and enjoying themselves. We thank God for the amazing weather and the great opportunity for Youthphoria to grow as a community. To God be the Glory!
