

# YOUTHPHORIA

ENCOUNTER | EMPOWER | ENGAGE

## Highlights of the Month

10th JULY

### MADE USEFUL

Using the example of how God gave Jeremiah protection, power and His presence to do His work even though Jeremiah felt that he was the most inadequate person to do so, Chee Hong shared that God is ultimately sovereign over all things and is able to empower the most unlikely candidates for His own service. He reminded us that we are never too weak to serve God, and urged us to go forth & tell our generation the Word of God and speak against idolatry, materialism, wealth gospel and issues that distort the minds of people.

17th JULY

### MADE LIKE JESUS

Wendy shared the importance of being Christlike and how as Christians our ultimate goal is to be like Jesus. She introduced 4 areas in our life that are essential to be like Jesus: Consecration, Character, Conduct and Control & Conquest. Also, Wendy reminded us that even though becoming like Jesus is a long and slow process filled with both joy and trials, God's purpose is wanting us to be like Him before we return to heaven. We should always take heart that being Christlike is our greatest privilege, our immediate responsibility and our ultimate destiny.

24th JULY

### YOUTH SUNDAY

This year's youth Sunday was themed "Turn It Up" and led by our younger and budding leaders - Samuel and Correy, who, with the help of other youthphorians, planned the entire Sunday service. In line with the theme, Youthphoria showcased a skit "Everything" led by the Cambodia missions team to show how God is reaching out to us and we should too return to Him. In addition, Rufus shared a powerful message about the dry season in Youthphoria and how leaders have started to pray for revival in Youthphoria. He urged us all to be zealous and turn things up with God. We are deeply encouraged and are readily anticipating what God has in store for Youthphoria.

31st JULY

### WORKSHOP SUNDAY - PRAY FOR REVIVAL

Inspired by the restlessness and dryness among the hearts of many youths, this workshop Sunday was dedicated to praying for revival in the lives of our youths and the ministry. Our spirit led facilitators gave an impactful message and testimony on how most Christians do not know God enough and are hypocrites, and instead, we should deny ourselves and be set apart for God. Many hearts were turned back to Jesus during this session as the youths prayed and surrendered their life/sins/uncertainties to God. Indeed the Lord works in miraculous ways and our hearts are filled with thanksgiving for His faithfulness and sovereignty over us.

## Speakers Corner

No stranger to us, we welcome Rudy, our missionary who's based in East Timor. He's the former youth worker at Youthphoria and he will be speaking to Youthphoria for the first time since he left. Expect a good reunion!

## Committee Movement

We say goodbye to Pearlyn Tay, this Youth Sunday, who has been faithfully serving the ministry in the area of hospitality. We wish her all the best in her future endeavours and ministry!

We welcome the addition of Athalia Choo into the youth comm. She will be deputy to Joel Tan as Vice- Chairperson on top of her role as a cell group leader. She has shown passion and a deep burden for the youth in this generation and we believe she will be a great addition to the team.
