ENCOUNTER | EMPOWER | ENGAGE

## Highlights of the Month

**21st AUGUST**

### MADE USEFUL

In his sermon, Rufus explained what it meant to be holy - being like God and set apart from the world. In being holy, we have to understand how God Himself is holy and His character. He also shared about objective and subjective holiness, and called us to let God make us holy in how we live our lives. Rufus also reminded us about justification, sanctification and glorification, and encouraged us that not only do we live set apart and grow our relationship with God, but the Spirit of God will also be our help in our journey to be made holy.

**28th AUG**

### MADE DIFFERENT

We welcomed Rudy back from Timor Leste, and he shared with us on the topic of Made Different. He began his sermon by using the parable of the good Samaritan to illustrate what it means to be "Made Different" and how it means inheriting eternal life. The Samaritan showed compassion and offered help to a total stranger, and we too should go and do likewise. Rudy continued to share on his experiences in the mission field and how even non believers are just like the good Samaritan - they had so much compassion for the under privilege and nothing could stand in their way from helping them. He urged us to do like wise and to be Made different by showing love to our neighbours and God in our everyday lives. He also encouraged us to live out the gospel and spread it to those who yet to believe.

## Speakers Corner

Wee Teck and Qiuluan are missionaries to Cambodia. They grew up in AMC's youth ministry and have been called by the Lord to the mission field many years ago. Today, they are happy parents to Nathan, who just turned one. We look forward to seeing them on 11th Sept!

Dr Linus is a Medical Doctor by profession and is also the Chairperson of the Missions Committee in AMC. He himself, also spent his teenage years in AMC's youth ministry. We are privileged to have him in Youthphoria on the 25th Sept.

## Prayer Corner

A one day conference that will see the Youthphorians, BB boys and GB girls coming together to learn how they can make a difference in the school and in the world today.
