

# YOUTHPHORIA

ENCOUNTER | EMPOWER | ENGAGE

## Highlights of the Month

**11th SEPT**

### FROM LOCAL TO GLOBAL

To kickstart the missions month in Youthphoria, we had Wee Teck and Qiuluan over to share with us the word as well as their experiences on the mission field. Titled "By Grace Through Faith", Wee Teck used Ephesians 2:1-10 to unearth how we are made alive in Christ. He shared with us how we are dead to our sins, but because of God has gifted us grace (and not through our own works) so that we might be saved through faith. In addition, Wee Teck also reminded us that God has created us in His image for His good works, and thus we should be prepared to let God mould and refine us through our daily lives.

**17th SEPT**

### M.A.D CONFERENCE

Youthphoria organised its first M.A.D Conference to encourage youths to Make A Difference (M.A.D) in the community that God has placed them in. This conference was opened to Fairfield's BB & GB, as well as Youthphorians, and a total of 126 attendees were present. We were deeply moved by the whole session with our Spirit led leaders urging us to pray for revival in our schools and our key speaker - Jason Chua, founder of Burning Hearts, equipped students to be like light in their respective schools by creating a praying culture in schools. One of our Youth leader Abraham led in sharing of his journey and the "See You At The Pole Movement" which stirred many hearts to start praying for their schools. We are deeply encouraged!

**25th SEPT**

### THE CHURCH'S ROLE IN MISSIONS TODAY

Using the parable of the Good Samaritan, Linus shared with how God showed us the basic understanding of what it means to love one another. Through his various missions and experiences he gone through, he taught us how as the church, we are to show mercy and compassion to others, and to be made different just like the samaritan.

- Its EXAM period for most Youthphorians! Pray for the students among our midst to give their best in the year end exams. Also for good time management so that they can honor God by setting aside time for their daily quiet time and also worship time on Sundays.
- Youth Camp! We are gearing up towards youth camp and the team has started work on registration amongst other areas to plan for. The camp theme is "Awakening". Pray for a good turn out for camp and also for our speakers, Calvin Hong and Alarice as they prepare for the Word in season.
