Timor Leste Mission Trip 2023

About Us

Hi Church! We will be going on a mission trip to Timor Leste from June 11-18. It is a special team consisting of members from both AMC and HVMC! We will be helping David Chan to run a BB/GB Leadership Camp at SPMS, as well as visiting the Dunamis and Sundemeier Homes in Gleno and Dili respectively. Through these visits, we hope to serve the communities and missionaries in Timor Leste. More importantly, we seek to spread the Gospel to those who have yet to hear The Good News, and to deepen the understanding of the Faith of existing believers. We are excited to serve the people of Timor Leste and humbly ask for your prayers as well as your kind donations.

Prayer Requests

1. Pray for the Lord's continued guidance and protection in our planning and during the trip.
2. Pray for a smooth journey to and from Timor Leste.
3. Pray for God to touch the hearts of the students in Timor Leste.
4. Pray for the team to be a blessing to the missionaries in the field.
5. Pray for the team to be disciplined during the trip.

40.DAY 2023

This year, LoveSingapore's 40.Day season of prayer will feature the views, voices, perspectives and prayers of

40 Kingdom leaders of the Singapore Church, delivered in a fresh video format.

The 40 men and women lending their voice to this season span a broad spectrum of denominations. They range from senior Church statesmen to emerging young leaders. They also include unique personalities from the realm of the para-church, missions and mercy ministries.

Each speaker will share on one of the three strategic thrusts identified by LoveSingapore's new Chairman Jeff Chong. These are:

- Turning Singapore Godward
- Winning the Youth
- Blessing the Nations

"Let's hear afresh from God's heart about our role in outreach and discipleship. The Church exists to help the lost to know Christ, while simultaneously helping the saved to become more like Christ," said Pastor Jeff Chong.

Since the start of the Covid-19 pandemic, the 40.Day material has shifted from its hardcopy book format to daily publications online.

This will continue in 2023. Morning by morning, the videos will be posted on LoveSingapore's YouTube, Facebook and upcoming Instagram page. As usual, we start on July 1 and end on August 9, Singapore's National Day.

Each video will be accompanied daily by a supplementary article online. These will also include suggested Scripture passages, reflection questions and prayer prompts. All will be available from day to day on

the LoveSingapore and Salt&Light websites.

To serve our Mandarin-speaking community, the videos will include Mandarin subtitles. Mandarin versions of the articles will also be published.

"Our prayer is that, in hearing the devotional thoughts and prayers of these 40 leaders, many in the Body of Christ will be stirred to action — to move out from the spectator stand into the playing field. Let's all get involved!" said Pastor Jeff.

National Family Week (NFW) will be observed on 3 - 11 June. A good number of churches will be emphasising the importance of family and family values at their worship services during that week. They will also be highlighting the programmes of their local churches and denominations that promote family values in their announcements and church bulletins. It is our hope that NFW will be an occasion to remind everyone that the Church in Singapore fully supports family values which will invariably strengthen the foundations of church and society.

If your church would like to help publicise the various programmes taking place in and around our island during the National Family Week (3 - 11 June), you may share the information with your congregation using this [LINK](#). In addition, MSF has also provided these messages to be used as quotes for other forms of publicity in your church or organisation. See this [LINK](#)

NDTS 2023: This year's National Day Thanksgiving Service will be held on Thursday, 17 August at 7.45pm in the Cathedral New Sanctuary, St Andrew's Cathedral. NCCS President, Bishop Lu Guan Hoe will be the speaker. He was recently interviewed by Salt and Light. See [LINK](#).

NDTS invitations will be sent to churches in due course and we welcome individuals as well as groups representing your church. Seating reservations will be made for your church group if you inform us. It will be the first time that we are resuming light refreshments after the service to encourage fellowship among those who attend the NDTS. We look forward to worship and to pray together as Christians in Singapore at NDTS 2023.

An Engagement Session on the revised Code of Governance, jointly organised by MCCY and NCCS was held on 17 May 2023 at St Andrew's Cathedral. You may recall that the Charity Council published the revised Code of Governance for Charities and Institutions of Public Character earlier on 4 April. The revised Code will take effect from the charities' financial year beginning on or after 1 January 2024. It aims to raise the standards of governance in the charity sector and instil confidence in Singaporeans to support charities and their causes.

The engagement session was held to facilitate the sharing of the key changes to the revised Code of Governance and governance best practices. The session included a Panel Discussion and Q & A. On the panel was Mr Desmond Chin (Commissioner of Charities), Ms Theresa Goh (Chairperson, Charity Council), Dr Caroline Lim (Head, SUSS) and Mr Richard Jeremiah (Member, Code Sub-Committee and former Treasurer of NCCS).

Some 230 pastors and church leaders from various churches and Christian organisations attended the session. The sharing was timely and informative and the Q & A following the panel discussion were robust. The opportunity to seek clarification, provide feedback and discuss practical concerns with the Commissioner of Charities and the Charity Council was appreciated by those who attended. See [PHOTOS](#).

You may view the PowerPoint slides of the presentations here [PPT](#). You may also refer to more information on the Code of Governance at this [LINK](#).
